Dear Mr. Daniel Jordan,

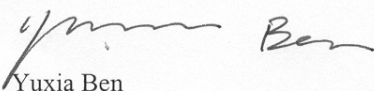

I am writing you to express our sincerely appreciations for the work you have done for us at the following address:

Apt. 1 and Apt. 3 Ile-Perrot, Québec.

We are very satisfied with the quality of your work and the time you required to complete the job. You knew that we did not understand much about how to do the renovation work, but you carried out the work very honestly. You did all what you promised us with a reasonable price.

Thank you once more for your excellent work.

Best regards,

Yuxia Ben
